(1)01. Vehicle Registration

- 1. A person shall not drive, move, or leave standing upon a highway, or in an off-street public parking facility, any motor vehicle, trailer, semitrailer, pole or pipe dolly, or logging dolly, unless it is registered, registration is not expired and the appropriate fees have been paid under this code.
- 2. Any motor vehicle which is based in San Andreas or primarily used on San Andreas highways, shall be registered in San Andreas
 - a. Exception: A motor vehicle properly registered in any other US state or territory and that has operated in San Andreas for under 90 days need not be registered in San Andreas.
 - b. Exception: Any motor vehicle properly registered to the federal government.
 - c. Exception: Any motor vehicle properly registered to a foreign diplomat or embassy.
- 3. License plates shall at all times be securely fastened to the rear of the motor vehicle for which they are issued, fastened so as to prevent the plates from swinging, shall be mounted

in a position so as to be clearly visible, and so that the characters are upright and display from left to right, and shall be maintained in a condition so as to be clearly legible.

- a. Exception: Any motor vehicle properly registered to the federal government or other state, county or municipal government agencies.
 - b. Exception: Motorcycles and other vehicles, otherwise roadworthy, that do not have an option to mount a license plate. In such cases, the plate will be listed in the proof of registration.
 - i. ((This means any vehicles that realistically should have a plate, but do not because Rockstar forgot to include it, e.g. tractors, scrap truck etc. If a vehicle has the option to have a rear plate, but the vehicle has been modified to no longer display it, then this counts as a violation of this code.))
4. License plates shall at all times be correct and display only approved writing on the plate. "SA EXEMPT" plates shall not be displayed on any vehicle that does not belong to a law enforcement agency, emergency service or federal, state, county or municipal government agency.
 - a. Exemption: Show cars that are registered with the state to have vintage plates from the vehicle's manufacturing period, international plates from the vehicle's home country or state exempt plates on for-show emergency vehicles.
5. Proof of registration shall be carried in the motor vehicle for which issued at all times while it is being operated in the State.
6. Vehicles purchased from an authorized vehicle dealership may have Temporary License Plates displayed for up to 90 Days from the date of purchase, or until the Permanent License Plate is received - whichever comes first.
 - a. Only vehicles sold by an official dealership can have Temporary License Plates affixed to them.
 - b. Only dealerships registered by the Department of Motor Vehicles may issue Temporary License Plates.
 - c. A vehicle with a Temporary License Plate that has exceeded the 90 day validity will be considered to be unregistered, rather than having an expired registration.

Violation of Vehicle Code (1)01 is an **infraction** punishable by a fine of \$175. A motor vehicle that has not been registered may be impounded if driven on a public road. Any motor vehicle with an expired registration is subject to citation.

No person shall drive a motor vehicle at any time when that person's driving privilege is suspended or revoked.

Violation of Vehicle Code (1)04 is a **misdemeanor** punishable by 60 seconds imprisonment and a \$2,000 fine. A vehicle that is being driven by someone with a suspended or revoked driver's license shall be impounded.

(1)05. Accident Reporting Requirements - Property Damage

1. The driver of a motor vehicle who is in any manner involved in an accident originating from the operation of said motor vehicle that has resulted in damage to the property of any one person in excess of one thousand dollars (\$1,000) shall report the accident to the local law enforcement office as soon as possible
 - a. Exception: An accident that occurs on the drivers private property that only results in damage to the drivers property, and does not result in bodily injury or death need not be reported.
2. Every driver involved in the accident shall, unless rendered incapable, exchange with any other driver or property owner involved in the accident and present at the scene, all of the following information:
 - a. Driver's name and current residence address, driver's license number, vehicle identification number, and current residence address of registered owner.
 - b. Evidence of automobile insurance to include the name and address of the insurance company and the number of the insurance policy.

Violation of Vehicle Code (1)05 is a **misdemeanor** punishable by a \$5,000 fine, 60 seconds imprisonment and license suspension for 4 days.

NOTES:

This section is commonly referred to as Hit & Run

(1)06. Accident Reporting Requirements - Injury or Death

1. The driver of a motor vehicle who is in any manner involved in an accident originating from the operation of the motor vehicle that has resulted in bodily injury, or in the death of any person shall report the accident to the local law enforcement office as soon as possible
2. Every driver involved in the accident shall, unless rendered incapable, exchange with any other driver or property owner involved in the accident and present at the scene, all of the following information:
 - a. Driver's name and current residence address, driver's license number, vehicle identification number, and current residence address of registered owner.
 - b. Evidence of automobile insurance to include the name and address of the insurance company and the number of the insurance policy.

3. Drivers charged under this section may not be charged with Violation of Vehicle Code (1)06 for events arising from the same accident.

Violation of Vehicle Code (1)06 is a **felony** punishable by 120 seconds imprisonment, a fine of \$10,000 and license suspension for 12 days.

NOTES:

This Section is commonly referred to as Felony Hit & Run

(1)07. Vehicle Insurance

1. All drivers and all owners of a motor vehicle shall at all times be able to establish valid insurance for the vehicle, and shall at all times carry in the vehicle evidence of vehicle insurance.
2. Whenever a driver involved in an accident described in Section (1)06 fails to provide evidence of vehicle insurance, as required by this section, at the time of the accident, the state shall, suspend the privilege of the driver or owner to drive a motor vehicle, including the driving privilege of a nonresident in this state.

Violation of Vehicle Code (1)07 is an **infraction** punishable by a \$500 fine. Violation of element 2 is additionally punishable by license suspension until the driver provides proof of vehicular insurance or 6 days have passed. Vehicles with expired insurance are subject to citation and vehicle impoundment at officer's discretion. Vehicles with no insurance are subject to mandatory impound.

(1)08. Traffic Signals - Responsibility at a Green Signal

1. A driver facing a circular green signal shall proceed straight through or turn right or left or make a U-turn unless a sign prohibits a U-turn. Any driver, including one turning, shall yield the right-of-way to other traffic and to pedestrians lawfully within the intersection or an adjacent crosswalk.
2. A driver facing a green signal shown immediately in front of a lane marked for a left or right turn shall enter the intersection only to make the movement indicated by pavement markings or any other movement that is permitted by other indications shown at the same time. A driver who is permitted to make a left turn may also make a U-turn unless prohibited by a sign. A driver shall yield the right-of-way to other traffic and to pedestrians lawfully within the intersection or an adjacent crosswalk.

3. A pedestrian facing a circular green signal, unless prohibited by sign or otherwise directed by a pedestrian control signal, may proceed across the roadway within any marked or unmarked crosswalk, but shall yield the right-of-way to vehicles lawfully within the intersection at the time that signal is first shown.

Violation of Vehicle Code (1)08 is an **infraction** punishable by a \$250 fine for vehicular violations and a \$150 fine for pedestrian violations.

(1)09. Traffic Signals - Responsibility at a Red Signal

1. A driver facing a steady circular red signal alone shall stop at a marked limit line, but if none, before entering the crosswalk on the near side of the intersection or, if none, then before entering the intersection, and shall remain stopped until an indication to proceed is shown, except as provided in element 2.
2. A driver, after stopping as required by element 1, facing a steady circular red signal, may turn right, or turn left from a one-way street onto a one-way street. A driver making that turn shall yield the right-of-way to pedestrians lawfully within an adjacent crosswalk and to any vehicle that has approached or is approaching so closely as to constitute an immediate hazard to the driver, and shall continue to yield the right-of-way to that vehicle until the driver can proceed with reasonable safety.
3. A driver facing a steady red signal shown immediately in front of a lane marked for a left turn shall not enter the intersection to make the movement indicated by pavement markings, and, unless entering the intersection to make a movement permitted by another signal, shall stop at a clearly marked limit line, but if none, before entering the crosswalk on the near side of the intersection, or if none, then before entering the intersection, and shall remain stopped until an indication permitting movement is shown.
4. Unless otherwise directed by a pedestrian control signal a pedestrian facing a steady circular red or red arrow signal shall not enter the roadway.

Violation of Vehicle Code (1)09 is an **infraction** punishable by a \$500 fine for vehicular violations and a \$200 fine for pedestrian violations.

(1)10. Driving on the Right Side

1. Upon all highways, a vehicle shall be driven upon the right half of the roadway or to the right of double solid parallel yellow lines, except as follows:
 - a. Yellow markings do not prohibit a driver from crossing the marking if (1) turning to the left at an intersection or into or out of a driveway or private road, or (2) making a U-turn under the rules governing that turn
 - b. When overtaking and passing another vehicle proceeding in the same direction when such action can be taken without crossing a solid yellow or solid white line
 - c. Upon a roadway restricted to one-way traffic.
 - d. When the vehicle is necessarily traveling so slowly as to impede the normal movement of traffic, that portion of the road adjacent to the right edge of the roadway may be utilized temporarily when in a condition permitting safe operation.
2. Whenever a road has been divided into two or more roadways by means of intermittent barriers or by means of a dividing section of not less than two feet in width, either unpaved or delineated by curbs, double-parallel lines, or other markings on the roadway, it is unlawful to do either of the following:
 - a. To drive any vehicle over, upon, or across the dividing section.
 - b. To make any left, semicircular, or U-turn with the vehicle on the divided highway, except through an opening in the barrier designated and intended by public authorities for the use of vehicles or through a plainly marked opening in the dividing section

Violation of Vehicle Code (1)10 is an **infraction** punishable by a \$250 fine.

(1)11. Maintaining Lanes

1. Any vehicle proceeding upon a road at a speed less than the normal speed of traffic moving in the same direction at such time shall be driven in the right-hand lane for traffic or as close as practicable to the right-hand edge or curb, except when overtaking and passing another vehicle proceeding in the same direction or when preparing for a left turn at an intersection or into a private road or driveway.
2. On a two-lane road where passing is unsafe because of traffic in the opposite direction or other conditions, any vehicle proceeding upon the highway at a speed less than the normal speed of traffic moving in the same direction at that time, behind which five or more vehicles

are formed in line, shall turn off the roadway at the nearest place where sufficient area for a safe turnout exists, in order to permit the vehicles following it to proceed.

3. Whenever any roadway has been divided into two or more clearly marked lanes for traffic in one direction, the following rules apply
 - a. A vehicle shall be driven as nearly as practical entirely within a single lane and shall not be moved from the lane until such movement can be made with reasonable safety.
 - i. Exception: Driving a motorcycle that has two wheels in contact with the ground, between rows of stopped or slow moving vehicles in the same lane, including on both divided and undivided streets, roads, or highways is permitted.
4. On a two-lane highway, no vehicle shall be driven to the left side of the center of the roadway in overtaking and passing another vehicle proceeding in the same direction unless the left side is clearly visible and free of oncoming traffic for a sufficient distance ahead to permit such overtaking and passing to be completely made without interfering with the safe operation of any vehicle approaching from the opposite direction.

Violation of Vehicle Code (1)11 is an **infraction** punishable by a \$250 fine.

(1)12. Following Distance

1. The driver of a vehicle shall not follow another vehicle more closely than is reasonable and prudent, having due regard for the speed of such vehicle and the traffic upon, and the condition of, the roadway.
2. No vehicle, except an authorized emergency vehicle, shall follow within 300 feet of any authorized emergency vehicle operating with lights or sirens
 - a. This section shall not apply to a police or traffic officer when serving as an escort

Violation of Vehicle Code (1)12 is an **infraction** punishable by a \$250 fine.

(1)13. Right of Way

1. The driver of any vehicle approaching an intersection which has official traffic control signals that are inoperative shall stop at the intersection, and may proceed with caution when it is safe to do so.

2. The driver of a vehicle intending to turn to the left or to complete a U-turn upon a highway, or to turn left into public or private property, or an alley, shall yield the right-of-way to all vehicles approaching from the opposite direction which are close enough to constitute a hazard at any time during the turning movement, and shall continue to yield the right-of-way to the approaching vehicles until the left turn or U-turn can be made with reasonable safety.
3. The driver of any vehicle about to enter or cross a highway from any public or private property, or from an alley, shall yield the right-of-way to all traffic, approaching on the highway close enough to constitute an immediate hazard, and shall continue to yield the right-of-way to that traffic until he or she can proceed with reasonable safety.
4. A person driving a vehicle on a freeway approaching a stationary authorized emergency vehicle that is displaying emergency lights or a stationary tow truck that is displaying flashing amber warning lights, shall approach with due caution and, before passing in a lane immediately adjacent to the authorized emergency vehicle or tow truck, absent other direction by a peace officer, proceed to do one of the following
 - a. Make a lane change into an available lane not immediately adjacent to the authorized emergency vehicle or tow truck, with due regard for safety and traffic conditions, if practicable and not prohibited by law.
 - b. If the maneuver described above would be unsafe or impracticable, slow to a reasonable and prudent speed that is safe for existing weather, road, and vehicular or pedestrian traffic conditions.
5. The driver of a vehicle shall yield the right-of-way to a pedestrian crossing the roadway within any marked crosswalk or within any unmarked crosswalk at an intersection.
6. No pedestrian may suddenly leave a curb or other place of safety and walk or run into the path of a vehicle that is so close as to constitute an immediate hazard. No pedestrian may unnecessarily stop or delay traffic while in a marked or unmarked crosswalk.
7. Every pedestrian upon a roadway at any point other than within a marked crosswalk or within an unmarked crosswalk at an intersection shall yield the right-of-way to all vehicles upon the roadway so near as to constitute an immediate hazard.
8. Between adjacent intersections controlled by traffic control signal devices or by police officers, pedestrians shall not cross the roadway at any place except in a crosswalk.
9. Pedestrians, bicycles, and other non motorized traffic are not authorized on the following roads:

- a. Interstate 1
- b. Interstate 2
- c. Interstate 4
- d. Interstate 5
- e. US Route 1
- f. US Route 13
- g. US Route 15
- h. US Route 20

10. No person may stop a vehicle unnecessarily in a manner that causes the vehicle to block a marked or unmarked crosswalk or sidewalk.

- a. The above does not preclude the driver of a vehicle facing a steady circular red light from turning right or turning left from a one-way street onto a one-way street.

Violation of Vehicle Code (1)13 is an **infraction** punishable by a \$250 fine for vehicular violations and a \$150 fine for pedestrian violations.

(1)14. Right of Way - Emergency Vehicles

1. Upon the immediate approach of an authorized emergency vehicle which is sounding a siren and which has at least one lighted lamp exhibiting a red light, the surrounding traffic shall do the following:
 - a. The driver of every other vehicle shall yield the right-of-way and shall immediately drive to the right-hand edge or curb of the highway, clear of any intersection, and thereupon shall stop and remain stopped until the authorized emergency vehicle has passed.
2. All pedestrians upon the highway shall proceed to the nearest curb or place of safety and remain there until the authorized emergency vehicle has passed.

Violation of Vehicle Code (1)14 is an **infraction** punishable by a \$500 fine.

(1)15. Turning

1. Both the approach for a right-hand turn and a right-hand turn shall be made as close as practicable to the right-hand curb or edge of the roadway unless roadway markings permit otherwise.

2. The approach for a left turn shall be made as close as practicable to the left-hand edge of the extreme left-hand lane or portion of the roadway lawfully available to traffic moving in the direction of travel of the vehicle and, when turning at an intersection, the left turn shall not be made before entering the intersection. After entering the intersection the left turn shall be made so as to leave the intersection in a lane lawfully available to traffic moving in that direction upon the roadway being entered.
3. No driver shall make a U-turn at an intersection controlled by official traffic control devices except from the far left hand lane that is lawfully available to traffic moving in the direction of travel from which the turn is commenced.

Violation of Vehicle Code (1)15 is an **infraction** punishable by a \$250 fine.

(1)16. Speed Limits

1. No driver may operate a vehicle at a speed greater than the posted speed limit.
2. No person shall drive a vehicle upon a highway at a speed greater than is reasonable or prudent having due regard for weather, visibility, the traffic on, and the surface and width of, the highway, and in no event at a speed which endangers the safety of persons or property.
3. When no speed limit is posted the following speed limits apply:
 - a. 15 mph in any alley way.
 - b. 30 mph on any dirt road in a state or national park.
 - c. 35 mph on any road other than a freeway, interstate, or US highway.
 - d. 65 mph on any freeway, interstate, or US highway.
 - e. A driver who fails to show a use of fair judgment in their speed when driving in poor conditions, such as poor weather, or on unpaved, slick, or damaged roads.
4. No person shall drive upon a highway at such a slow speed as to impede or block the normal and reasonable movement of traffic unless the reduced speed is necessary for safe operation, because of a grade, or in compliance with law.
5. No person shall bring a vehicle to a complete stop upon a highway so as to impede or block the normal and reasonable movement of traffic unless the stop is necessary for safe operation or in compliance with law.

6. A person who drives a vehicle upon a highway at a speed greater than 100 miles per hour is guilty of an infraction punishable by:
 - a. \$500 fine.
 - b. 2 day license suspension.
7. No person may drive any of the following vehicles on a highway at a speed in excess of 55 miles per hour:
 - a. A motor truck or truck tractor having three or more axles or any motor truck or truck tractor drawing any other vehicle.
 - b. A vehicle transporting explosives.

Violation of Vehicle Code (1)16 is an **infraction** punishable by a fine listed in the table below:
